

Make a difference in a child's life. Let them know you care. Your small act of kindness is a monumental event in the life of our troubled youth. Over 300 children will spend the holidays locked up in our juvenile detention facilities, with none of the comforts of home. Your contributions or donated gift items can help. Show these kids that the community cares, by bringing a little bit of cheer to their surroundings.

Financial contributions gratefully accepted!

*We are in desperate need of gifts for our children...can
you help us out?*

Please do not wrap the gifts, as this MUST be done by us. We would be most grateful for an early arrival in December, since last minute sorting and wrapping becomes quite hectic. Please schedule a drop off appointment **before Dec. 16th** at our new location, 100 Glacier Drive, Martinez (formerly *Lions Gate*). If you have any questions please call:
